

Manufactured by:

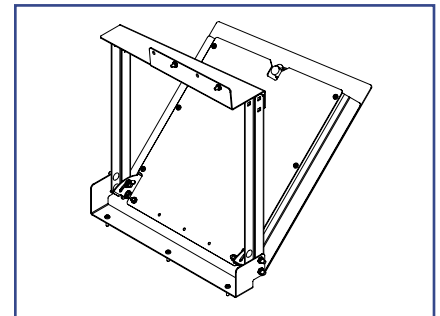

NEW Trunk Side Mounts

Safely mount important equipment: Havis-Shields fold-down trunk side mounts allows important electronic devices to be safely mounted in a secure area. (C-TSM-CHGR-P shown)

Locking latch provides a safe and secure mounting area. (C-TSM-CHGR-D shown)

Manufactured from strong 14-gauge black-powder coated steel. (C-TSM-CV-P shown)

New Trunk Side Mounts from Havis-Shields!

Safely store important electronics while keeping them easy to service!

- **Available for Dodge Charger and Ford Crown Victoria**
- **Locking Latch:** Locking latch ensures your equipment is protected when mount is in closed position.
- **Hinged Platform:** Fold down makes it easy to service your equipment.
- **Easy to Install:** Mounts on fender side of trunk and comes with a removable inner panel for easy bench top pre-assembly.
- **Mounting Area:** Charger mounting surface is 12" wide x 15" high. Crown Vic mounting surface is 12.5" wide x 14.5" high
- Passenger side mounts for Charger are recommended as battery is nearby and full size spare is offset on drivers side. Driver side for Crown Vic not available due to location of fuel shut-off switch.
